

# LARGE ELECTRIC AIRLESS SPRAYERS

PROVEN QUALITY. LEADING TECHNOLOGY.

MADE IN THE USA  
WITH GLOBAL COMPONENTS

# Electric Airless Sprayers

## for Professionals

*There is nothing like a Graco electric sprayer*

Graco's professional paint sprayers provide the spraying reliability, performance and productivity that you're looking for. 100% factory tested and field proven, they are solid investments backed by a full and strong warranty.

Choose the right electric sprayer with the size and functionalities you need to get the job done right, every time.

**STANDARD SERIES:**

Everyday reliability for new residential and repaint jobs

**PROCONTRACTOR SERIES:**

Work smarter to finish more large residential and commercial jobs

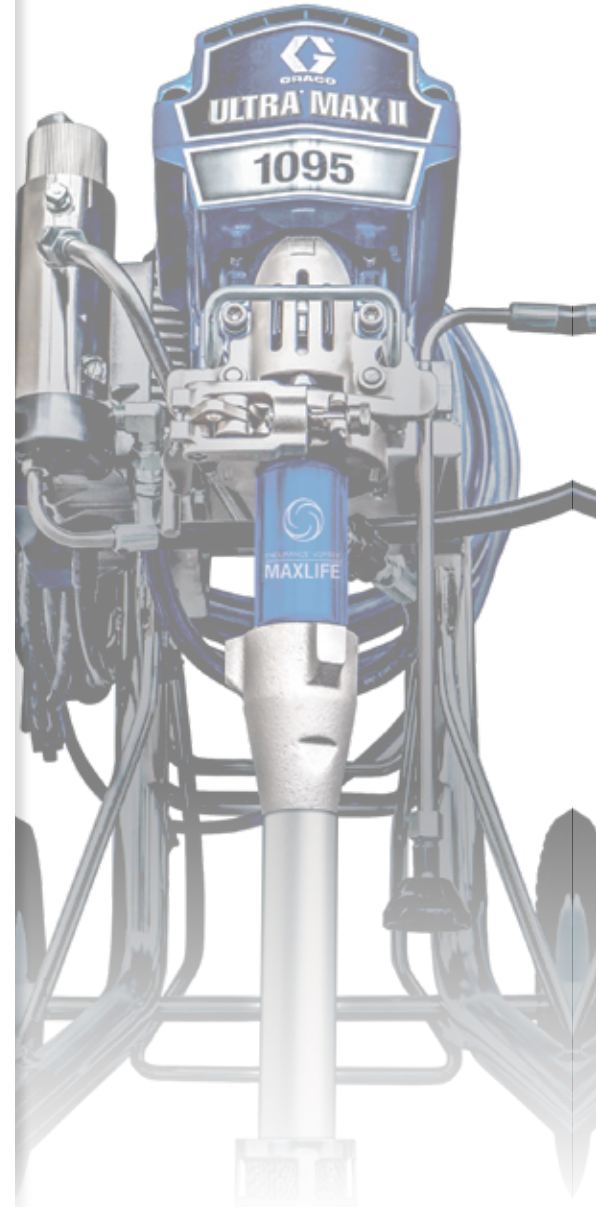

**IRONMAN SERIES:**

For those tough, large commercial and industrial jobs

**NOT SURE WHICH SPRAYER MEETS YOUR REQUIREMENTS? TALK TO A GRACO DISTRIBUTOR AND DISCUSS YOUR ANSWERS TO THE FOLLOWING QUESTIONS:**

- How many liters/gallons per week will you be spraying?
- What hose lengths will you use?
- How many guns will you use and what tip sizes?
- What type of materials will you spray?
- What types of jobs will you be bidding for?

Their expert advice will ensure you select the right sprayer for each job.

# BlueLink™ Management App

The easy way to manage your spray business

Every electric sprayer benefits from this innovative management App which allows contractors to know from anywhere:

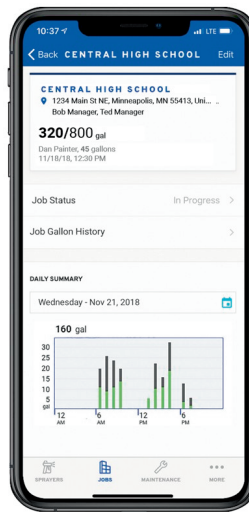

- Each sprayer's location and daily productivity
- If jobs are on schedule and any concerns of the on-site crew
- If sprayers are properly maintained, plus any upcoming preventative maintenance needs
- If any materials or supplies are needed

## TRACK EVERY SPRAYER

Know exact locations and hourly productivity

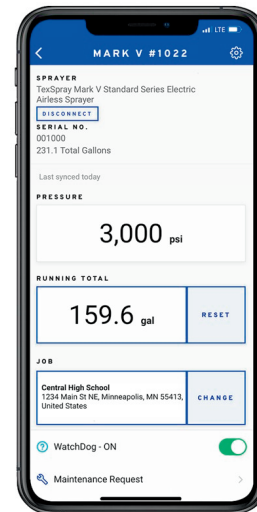

Make fewer trips to jobsites

## KNOW JOB PROGRESS

On-demand productivity facts and reporting from anywhere

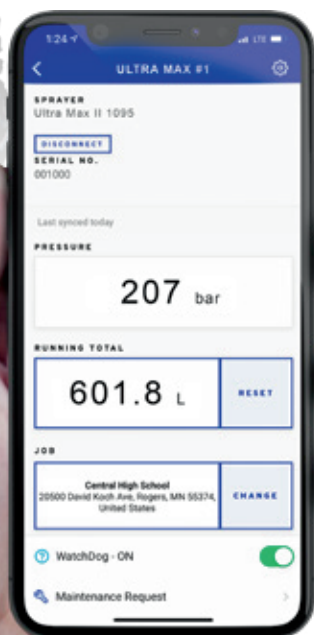

Ensure you're on time with needed materials

## MAXIMIZE UPTIME

Set preventive maintenance schedules and receive alerts

Ensure your sprayer is ready for every job

## STREAMLINE YOUR BUSINESS WITH BLUELINK™

Now you can track every sprayer, and know their locations and hourly productivity. You can follow the progress of each job and ensure you are on time with needed materials.

And you can maximize your spray time by setting preventative schedules and receiving maintenance alerts.

## NO MONTHLY FEES

Local data carrier rates may apply.

**DOWNLOAD THE FREE BLUELINK™ APP**

Surf to [www.graco.com/BlueLink](http://www.graco.com/BlueLink) and select the BlueLink™ App for iOS or Android.

# Endurance™ Pumps

*New levels of durability*

## Endurance™ Pumps: New levels of durability

Graco electric sprayers feature Endurance™ pumps, the most rugged and reliable pumps on the market, delivering at least 2x more life than the next leading brand.

Their V-Max Blue Packings deliver more spraying performance, while the new and exclusive MaxLife™ EXTREME coating delivers long life with the lowest cost of ownership.

Endurance™ pumps can spray the widest range of coatings thanks to oversized clearances for maximum performance.

Moreover, they allow easy, modular repair thanks to features such as a ProConnect pump removal system, easy serviced QuikAccess intake valve, and QuikPak V-Max Blue Cartridge packings.

## The best just got better

### Endurance™ Vortex Pump

The ProContractor and IronMan Series benefit from the Endurance Vortex pump, in which a helical design rotates to eliminate side loading.

Oversized fluid passages deliver high velocity flow to rotate the piston, even wear delivers longer life, and the pump uses 360 degrees of wear surface to deliver exceptionally long life.

### Endurance™ Vortex MaxLife™ EXTREME Pump

The MaxLife™ coating on ProContractor and IronMan improves the lives of repacks by 6x. The EXTREME MaxLife pump rod delivers the most durable wear surface ever thanks to a proprietary abrasion resistant composite; ensuring 3x longer rod life than MaxLife.

### Endurance Chromex™ Pump

Lasts 2x longer than competing pumps

### Endurance Vortex MaxLife Pump

6x longer between repacks

### Endurance Vortex MaxLife Extreme Pump

Extends pump rod life by 3x — delivering the industry's lowest cost of ownership

# Standard Series

## Work smarter, finish more large residential and commercial jobs

Larger painting jobs demand the proven quality and performance of Graco's Standard Series large electric sprayers to deliver a job well done, every time.

**CONTRACTOR PC**

**SMARTCONTROL**

**BLUE LINK**

**Fast Flush**

### Contractor PC gun

- Best finish quality with the contractor preferred Green Low Pressure (LP) tips
- Finish jobs faster with less fatigue
- Lightest weight, lightest trigger pull & trigger length adjustment
- Tooltes needle exchange by ProConnect cartridge design

### Endurance™ Pump

- Chromex Rod, SST Sleeve, and V-Max Blue packings deliver 2x longer life than competition
- Long Life V-Max Blue packings
- QuikPak delivers simple modular repair solution – Repack the entire pump in 2 minutes

### SmartControl™ 4.0 with ProGuard

- Delivers best finish; lowest dead band at any pressure
- ProGuard protects from power spikes and bad power

### BlueLink™ Management App

- Measure productivity on each job - on demand, from anywhere!
- Track one or multiple jobs and view overall progress
- Just the facts! Use data for future job estimating and equipment maintenance intervals

### FastFlush™ 2

- Runs motor speed faster than ever, delivering 6x faster cleaning using half the water
- Spend less time cleaning and more time spraying

### MaxPower™ DC Brushless Motor

- High torque brushless design delivers performance with lifetime warranty

### Advantage Drive™

- Heavy-duty precision gears deliver long life paired with quiet operation
- Guaranteed for life!

### Easy Out™ Pump Filter

- Large 19.5 square inch filtering area reduces tip clogs and ensures a high-quality finish
- Vertical Filter removes for less mess

### Heavy-Duty Prime Valve

- Maintenance-free design withstands high-pressure dumping

### WatchDog™ Pump Protection

- Automatically shuts paint off when the paint runs out
- Prevents pump from running dry
- Minimises material loss and mess in case of hose damage

# ProContractor Series

## Work smarter, finish more large residential and commercial jobs

If you want more than the standard, then spoil yourself. Choose for the ProContractor upgrade version. All the good of the Standard Series, plus more!

Experience Graco only features, allowing you and your team to work smarter and to finish your job with less fatigue.

### Endurance™ Vortex MaxLife™ Pump

- Featuring breakthrough MaxLife™ coating to deliver long life – 6x longer between repacks
- Innovative Vortex Rotating Rod technology provides rotating piston that delivers longest life, ensuring even and consistent loading

### QuikReel™ hose management system with 15 meter hose

- Hose guide eliminates twisting, kinking and coiling for one-person operation
- Hose is always connected!
- Use only the hose you need — the rest stays on the reel

### Crush-Proof Inlet Filter

- Extremely durable, stands up to the harshest impacts

### ProConnect™ 2

- Eliminates costly jobsite downtime
- Quickly and easily swap out the pump for a spare - on the job
- Pin-less design needs no tools

### Bright LED display

Protect and monitor your investment more easily, with easy to read LED display that shows the job/lifetime/liter counter and the self diagnostics

### ProContractor Series sprayers also include all Standard Series features:

- BlueLink Job and Sprayer Management App
- SmartControl 4.0 with ProGuard
- FastFlush 2
- Contractor PC Spray Gun
- Easy Out Filter Manifold
- Precision Advantage Drive
- MaxPower Motor
- Heavy-Duty Prime Valve
- Rugged, Durable Cart Design

# IronMan Series

## *For those tough, large commercial and industrial jobs*

If you want more power, more durability, longer life, then opt for the ULTRA MAX 1095 IronMan. Beyond Jobsite tough.

IronMan Series Electric sprayers are built to routinely handle the rugged demands of large job sites, day in and out! The longest life Pump ever, never have a flat tire again!

### **Endurance™ Vortex MaxLife™ EXTREME Pump**

- Featuring breakthrough MaxLife Extreme technology to deliver the longest life of any sprayer
- Rotating piston provides even wear – ensuring even and consistent loading for longest life
- QuikPak delivers simple modular repair solution – Repack the entire pump in 2 minutes

### **Flat-Proof Tires**

- Light and durable composite rim
- These tires can't be punctured by nails, screws or other sharp debris

### **Crush-Proof Inlet Filter**

- Extremely durable, stands up to the harshest impacts

### **ProConnect™ 2**

- Eliminates costly jobsite downtime
- Quickly and easily swap out the pump for a spare - on the job
- Pin-less design needs no tools

### **IronMan Series sprayers also include all Standard Series features:**

- BlueLink Job and Sprayer Management App
- SmartControl 4.0 with ProGuard
- FastFlush 2
- Contractor PC Spray Gun
- Easy Out Filter Manifold
- Precision Advantage Drive
- MaxPower Motor
- Heavy-Duty Prime Valve
- Rugged, Durable Cart Design

## ABOUT GRACO

Founded in 1926, Graco is a world leader in fluid handling systems and components. Graco products move, measure, control, dispense and apply a wide range of fluids and viscous materials used in vehicle lubrication, commercial and industrial settings.

The company's success is based on its unwavering commitment to technical excellence, world-class manufacturing and unparalleled customer service. Working closely with qualified distributors, Graco offers systems, products and technology that set the quality standard in a wide range of fluid handling solutions. Graco provides equipment for spray finishing, protective coatings, paint circulation, lubrication, and dispensing sealants and adhesives, along with power application equipment for the contractor industry. Graco's ongoing investment in fluid management and control will continue to provide innovative
