

# EIFS SPRAYERS

Total Solutions  
Spray all layers of EIFS up to the finish

PROVEN QUALITY. LEADING TECHNOLOGY.

# ***TOTAL SOLUTIONS*** ***SPRAY ALL LAYERS OF EIFS*** ***UP TO THE FINISH***

## **SPRAY ALL EIFS LAYERS WITH ONE MACHINE**

Complete your jobs faster, maximize your profits and ensure a high quality finish. Graco EIFS sprayers can handle all layers of EIFS. Choose the machine that best suits your projects.

## **COMPLETE THE SAME JOB IN LESS TIME**

Graco offers spray equipment that is able to spray all layers of EIFS up to the finish. **Our sprayers are built to maximize your productivity by reducing manual work.** Thanks to the consistent material flow, a uniform coverage and spray pattern is ensured. This results in lower crew fatigue, better finish and higher profits.

## OUR BRAND PROMISE TO YOU

Since 1926, **innovation**, **quality** and **A+ Service** have been at the centre of Graco.

### Experience Innovation

Our focus on innovation results in products and equipment that lead the industry with technologically-advanced features, pioneering design, high performance and unparalleled reliability. In short, innovation is how you get better products!

### Building Quality

You're investing in high-quality products built to last for years of reliable service. Moreover, we partner with our customers to better understand how you're deploying our products in the field, then use your experiences to improve performance and durability.

### A+ service, every time

You'll see A+ Service in action when you contact any of our support services options no matter where you are in the world. We'll listen to your situation and work methodically to resolve it as quickly as we can. We are guided by a mindset of integrity and a customer service view centred on collaboration and relationships, not transactions.

We're here to answer questions and help address your needs:
