

# ALWAYS INNOVATING. ALWAYS RESPONSIVE.

For nearly a century, Graco has designed, delivered and supported solutions that you use every day. We help simplify everyday tasks and improve productivity for forward-thinking workers and businesses around the world.

Whether you're servicing vehicles, operating heavy equipment, performing maintenance repairs, working on an oil rig or running manufacturing lines, we're your one trusted source for proven lubrication equipment and bulk fluid management solutions designed to maximize your profitability. Because we understand just one hour of downtime can equal tens of thousands in lost revenue.

## INNOVATIVE

We listen to our customers and adapt to their needs. Our investment in R&D is unparalleled, empowering Graco to create more reliable, connected and easier-to-use automatic lubrication equipment, bulk fluid management and fluid transfer systems.

## QUALITY

From our best-in-class manufacturing processes, rigorous product testing and industry's best warranty, you always know that Graco solutions are going to get the job done – and stand the test of time. That's why you can find Graco products over 50 years old still in operation.

## CONSULTATIVE

Being a consultative partner takes work – and we're always up for it. Graco and our distributors want to work with you to identify, design and install the best solutions for your needs to ensure you receive the maximum ROI on your investments.

## RESPONSIVE

When you need an answer, we're just a phone call away. Our support team is committed to providing you with a superior customer service experience and a reliable and fast response. Because we know downtime means lost revenue.
